2. Funds not exceeding the amounts stipulated may be advanced on the request of the Director of Security. Monthly reports shall be submitted to the Chief, Finance Division, Office of the Comptroller, showing balance at the beginning of the month, total additional funds received, total funds expended, and the total amount of funds on hand at the close of the month. The monthly report shall contain a certification that the funds expended were for confidential purposes and that receipts and/or other supporting documents are on file in the Security Office.
